

Spoken English Classes

Grades 1 to 5, in collaboration with Shikshayatan, pioneers in teaching English in rural India, using flashcards, maps and activity kits. Interns from Providence College (Final Year BA English), trained as facilitators.

- 3 compact libraries of 100 books each.
- Classes for Grades 6 to 8 from June 2024-25, with another age-appropriate method

Stem Project

- 2 computer labs (7 computers & 1 printer) at CMS girls' & boys' hostels with 2 facilitators
- 8 computers fully refurbished at MMS Attadi school
- Science kits (100 experiments) distributed to 12 schools. A teacher from 2024-25 will ensure best usage of the kit.
- A mobile planetarium gave a first experience of outer space and the world of dinosaurs. Hearing the kids laugh from an inflatable dome, was music to our ears.

23 - 24 Report

Adopted 3 govt schools in Coonoor (Nilgiris, TN) and bringing joy to many more

**Total impact
375 Children**

*Letter of appreciation by
TN Govt & honored as part
of top donors by Minister,
School Education.*

Others

- At Bandishola, kids are sprouting a kitchen garden (made monkey proof) under the expertise of a gardener
- Smart Room at a Kunjapanai Tribal Higher Secondary School. Furniture donated by Talin.
- Toilet renovation at Gandhipuram school.
- 4 Smart TVs donated to 4 schools.

Sports Program

- Sports classes by our Sports Coach in collaboration with Sports Village, Edu Sports. Invested in separate sports equipment. Students love it, while teachers leverage it for better studies.
- Sports shoes to 3 schools subsidized by Plaeto.

Stagecraft

Our show stopper: At bettatti school, a marching band with musical instruments, uniforms and facilitator is the talk of the hills, as we try to identify talent outside academics.
